

**ELECTRICAL
ESTIMATING**

TENDER AND COMMERCIAL SUPPORT

More capacity. Clearer tenders.

Specialist electrical estimating support for contractors across commercial construction, retail and other sectors.

20+ YEARS OF ELECTRICAL INDUSTRY EXPERIENCE

Our experience includes work with Tier 1 and Tier 2 contractors across major construction and retail. We agree the scope, output and programme before starting.

TAKE-OFFS

Measured quantities and an agreed document basis.

COST BUILD-UPS

Material rates, labour allowances and clear assumptions.

TENDER REVIEWS

Scope gaps, qualifications and questions for client review.

myxholdings@gmail.com

Support built around your workload.

Use MX for an agreed tender package or additional estimating capacity when several deadlines coincide.

Tender review

FROM £250

Review an agreed package for scope gaps, quantity discrepancies, exclusions and pricing risks.

Electrical estimate

FROM £500

Take-offs and material and labour cost build-ups for an agreed electrical scope.

Dedicated support

£350 / DAY

Up to eight hours of estimating or tender preparation support, with availability confirmed before booking.

Starting fees depend on scope, document quality and deadline. VAT is additional where applicable. Full independent remeasurement, design or certification is included only if expressly agreed.
